Appointment

Stéphanie Guillerand, Director of Human Resources at GRTgaz

GRTgaz, France's primary gas transmission system operator, which is committed to the energy transition, has just appointed Stéphanie Guillerand to the position of Director of Human Resources. She is a member of [GRTgaz's Executive Committee](#). Stéphanie Guillerand was previously Director of Human Resources and General Secretary at Storengy.

Stéphanie Guillerand will manage operational and HR development activities, recruitment policy, relationships with staff representation bodies, staff administration and remuneration and various initiatives to promote diversity, as well as health and safety in the workplace.

Stéphanie Guillerand began her career in 2000 as a business, contract, construction and real estate lawyer with law firm Poux-Jalaguier.

In 2006, she joined Gaz de France as a litigation, real estate and environment lawyer.

In 2014, Stéphanie Guillerand was appointed Legal Director and Secretary of the Board of Directors of Elengy, one of Europe's leading LNG terminal companies; in particular, she oversaw the company's buyout by GRTgaz.

In 2018, she was appointed Human Resources Director and General Secretary of Storengy France, the country's main gas storage operator. In 2023, her role was expanded to include all of Storengy, and she was also appointed vice-CEO of economic interest group Géométhane de Manosque.

A lawyer at the Paris bar since 2000, Stéphanie Guillerand has several postgraduate diplomas (political science, public commercial law), a bachelor's degree in history of art and a master's degree in business law.

A photo of Stéphanie Guillerand is available on request.

GRTgaz is France's primary gas transmission system operator and the second biggest in Europe. The Group has two subsidiaries: Elengy – the European leader in LNG terminals, and GRTgaz Deutschland, which operates the MEGAL network. In line with its mission statement – “Together, we enable an energy future that is safe, affordable and climate neutral” – GRTgaz has a public service mission, ensuring the safety of gas transmission for its 865 clients (biomethane producers, shippers, industrial companies, electricity power plants and distributors). GRTgaz is committed to achieving net zero and is adapting its network to new ecological and digital challenges; it supports the development of low-carbon hydrogen and renewable gas sectors (biomethane and gas from solid and liquid waste). It also transports waste CO₂ for the purposes of decarbonising the industrial sector. Key figures: 32,600 km of pipes, 625 TWh of gas transported, 3300 employees, €2.1 billion in turnover generated in 2023 (€2.6 billion at Group level).
